ABOUT ME

I've been using graphics as my primary language 9 years of my existence.

- 2011 Worked as a scene decorator for events, movie sets, and cafes.
- 2013 Graduated from art school while working as a comic editor.
- 2014 Transitioned into web & graphic design in e-commerce, marketing, and branding.
- 2017 Transitioned into the sign industry, creating architectural and technical signage design, as well as handling project management (filing permit, finding supplies, contacting vendors, etc....), customer services and schedule installation.
- Now
